Yes I do have "A Christmas Memory" on record, with Capote reading.

I have filed away with the Anderson pictures your reading of the Anderson situation. I hope I can face Iouise Anderson again after my exorbitant bill for my professional services. Do you think I over did it?

I will await the Carbondale plates, thank you. I should have had you send them directly to Marjorie and Raymond Holstein.

As soon as I get my dissertation done I want to go to England and Scotland and Wales and do some genealogical research. Maybe I can find a relative to marry, wouldn't that be something.

VCV's letter to me is precious, and Fay's is just marvellous.
